## TEA HOUSE

catalogue no.: 0271

**Nothing warms up better than delicious tea. How about an ingenious teahouse with two cans full of leafy, aromatic tea?**

In cans, which you can freely personalize, we have closed two teas: Earl Grey with orange peel and green Gunpowder with lemon peel, orange peel, pineapple and marigold and sunflower petals. Not only tasty but also healthy! Both proposals are rich in vitamin C!

Earl Grey tea with orange peel

Gunpowder green tea

The tea house itself is made of FSC-certified paper. The beautiful cans it contains are kept in the spirit of less waste - you can reuse them. Additionally we have packed the teas in biodegradable foil. This combination gives us a fully ecological product.

## TEA BAG

catalogue no.: 0063

**Personalized tea bag is a universal gadget for your company. It will be a perfect addition e.g. to cups given to your employees as a gift or a subtle form of advertising.**

### You can choose:

- Green tea - a bomb of natural ingredients and vitamins that is good for health, metabolism and concentration
- Earl Grey black tea owing its taste and aroma to bergamot oil, adding energy, supporting immunity and being a source of vitamin C

Packed in paper with the addition of foil (which we reduced up to 65%) guarantees freshness and intensity of taste. The whole surface of the bag and the tea tag can be personalized. Additionally, you can choose between white and kraft paper.

## TEA IN CAN

catalogue no.: 0518

**Large, durable, steel can with graphics or your brand logo, and 100 g of high-quality loose leaf tea inside.**

### To choose:

- Gunpowder green tea, which gets its name from its visual resemblance to gunpowder. Its leaves are dried immediately after picking to prevent them from fermenting. Thanks to this treatment, it supports the metabolism and improves concentration
- Earl Grey black tea, which owes its taste and aroma to bergamot essential oil, adds energy, stimulates brain function and lowers blood sugar levels

To preserve the intense aroma of the tea, we protected it with a biodegradable foil and then sealed it in a steel tin. The FSC-certified paper label can be personalized with your own graphic design.
